### **Rostered Player Attestation in Support of New Team Application**

***Each player rostered on an application for a new team must attest to the following, either by signing this document or sending an email that includes the following language:***

"By virtue of this communication, I attest that I will be a rostered player for this petitioning team, if approved by the NSWPTL Executive Committee. If so approved, I forfeit my right to play as a rostered player on another team within the league for the upcoming season. I further attest that I am a bona fide member of the club/facility that is petitioning for this team and will be available to play the majority of matches throughout the season."
